

# Data Journalism Project Proposal – Prep Assignment

To get started on your data journalism project, please submit a short proposal that includes:

1. **Tentative Title**

A working headline for your story.

2. **Data & Source**

Identify the main dataset(s) you plan to use and where you will get them.

3. **Summary**

A brief (3–5 sentences) description of the story you intend to tell and why it matters.

4. **Planned Visuals**

Note the kinds of charts, maps, or other graphics you think will best illustrate your findings.

---

**Submission Note:**

This proposal will help clarify your focus and ensure your project is on track.
